Dear Prospective Nursing Student;

Thank you for your interest in the Practical Nursing Program. We are pleased to offer an **optional two-hour class which will help you prepare to take the pre-entrance exam**. Topics covered in the prep course will include test-taking strategies, basic math review, vocabulary and reading comprehension. Enclosed is a list of dates and times when the class will be offered. There is **no charge** to attend the class. I hope you are able to take advantage of this opportunity.

In addition, the dates and times of the **pre-entrance exam (required of all applicants)** and sample test questions, which will familiarize you with the test format, are enclosed. There is a fee of **\$30.00 (cash only)** for the exam. In order to take the exam you must have the fee, a picture ID, and two #2 pencils with you on the day of exam. **All interested candidates are required to call the Health Career Center at (518) 862-4709 to register for the Test-Prep class and/or Entrance Exam (see enclosed).**

Test results are sent to our school 2-3 weeks after the test. Applicants who score at or above the twenty-fifth percentile in academic aptitude will be sent an application packet. Those who do not meet the minimum percentile score will receive information on remediation opportunities.

If you have any questions about the prep classes or entrance exam, please feel free to call the Health Careers Center, at **(518) 862-4709**.

I wish you success on the test and look forward to meeting you soon.

Sincerely,

Paula Negri, Supervisor
